Ontario NVIS Event - Sunday September 24

The Ontario NVIS event, sponsored by the Peel and Ottawa Amateur Radio Clubs, will be held on Sunday September 24 from 13:00 to 18:00 EDT.

The goal of the event is to make contacts and talk to other operators using NVIS techniques. No restrictions on operation, just get on the air and operate with your best NVIS antenna. Bands of interest are 40, 60, and 80, depending on conditions. We suggest this identifier when calling to make it easier to identify the participants: CQ NVIS Ontario “call sign”.

For more information on NVIS techniques, please refer to this PDF presentation by Peter VE3POA: <http://www.ve3kbr.com/files/NVIS-VA3KHH-160921-VE3POA.pdf>
